

seplat JV 2018/19 Undergraduate Scholarship

SEPLAT Joint Venture has announced the commencement of its 2018/19 National Undergraduate Scholarship Programme. The scholarship award is open to deserving undergraduate students of Federal and State Universities in Nigeria. The SEPLAT JV Scholarship Scheme is one of Seplat's educational Corporate Social Responsibility programmes designed to promote educational development and human capacity building through provision of yearly grants to successful applicants to complete their degree programme.

Eligibility Criteria:

- Applicants must be in their second year of study or above.
- Applicants must have at least 5 O' level credit passes (English and Mathematics inclusive) at one sitting.
- Applicants must not hold any other scholarship award

Only students studying any of the following courses should apply:

- | | |
